Growing Together

to End Homebound Hunger

We are very excited to tell you about a new opportunity that we have to more than double our space for preparing meals for homebound seniors in Cabarrus County.

Our New Home...

Cabarrus Meals on Wheels provides an average of **488 MEALS** to homebound seniors and disabled adults **EVERY WEEKDAY** throughout Cabarrus County. Our current facility has reached full capacity. We are unable to serve more people in our current location. At a time when our service is needed more than ever to help take care of our most vulnerable residents, we are unable to take on more clients.

With your help, we will move into this fantastic new building. This new space is **TRIPLE THE SIZE OF OUR CURRENT LOCATION** and will allow us to expand our services well into the future.

We also have naming opportunities available!
